Jared,

My apologies. My computer is now updated. Happy President's day.

Aaron

Not to bug you

Dear Jared,

The Summit Lake Tribe continues to desire to resolve the matter that we previously communicated about. I am following up about putting together a meeting between yourself and Chairwoman DeSoto and/or, as we traded emails about, having you come to a Summit Lake Paiute Tribal Council meeting. Their next Tribal Council meeting will be on March 16, 2013.

Thanks so much for your consideration,
Aaron Peskin
